

Classroom Instruction That Works

(suggested activity)

- 1. Divide staff into nine groups.**
- 2. Each group is assigned one strategy to read and review.**
- 3. Each group then shares information with whole group.**
- 4. Staff then decides what three strategies they will concentrate on to implement.**
*Forced decision making sheet can be used for this decision by staff
- 5. Then discuss Walk Through process and data that will be collected and shared.**
