

Memory Letters and Sounds

You have been provided with memory cards with your child's letters written on them. Place the memory cards face down on the table. Take turns turning over two cards at a time. If the player has matched an upper and lower case letter, he/she can keep the pair. If the player did not make a match, the cards are returned face down to their place. Play continues until all cards are collected.

Please return: Your time record form.
