

## Sticks

### Letters and Sounds

Each craft stick has a letter written on it that your child has been learning. One craft stick has a colored tip. Place the craft sticks in a cup with the letters toward the bottom of the cup. Take turns picking a craft stick from the cup. The player must name the letter and say its sound. If the letter and sound are not read correctly, the stick must return to the cup. If a player picks the stick with the colored tip, then he/she must return all the stick to the cup. The game continues and there is really no winner.
