

Sticks Sight Words

Each craft stick has a word written on it that your child has been learning. One craft stick has a colored tip. Place the craft sticks in a cup with the words toward the bottom of the cup. Take turns picking a craft stick from the cup reading the word on the stick. If the word is not read correctly, the stick must return to the cup. If a player picks the stick with the colored tip, then he/she must return all the stick to the cup. The game continues and there is really no winner.
